Bunions Causing You Pain?

Lotus Clinical Research is conducting a research study to evaluate the efficacy, safety and tolerability of an investigational medication following bunion surgery.

To qualify you must meet all study criteria including:

- Must be between 18 to 65 years of age
- Have a qualifying bunion that needs to be surgically removed

Surgery performed at a state of the art facility by a board certified podiatrist.

All study-related care provided at no cost to you.

Compensation up to $1,225.00 for study-related time and travel (multiple night stay required).

Study enrollment is limited.
