

Do You Need Your Wisdom Teeth Removed?

You may qualify to have your wisdom teeth surgically removed at no cost to you. Lotus Clinical Research is conducting a research study evaluating pain medications. Study requires a screening visit and study visits.

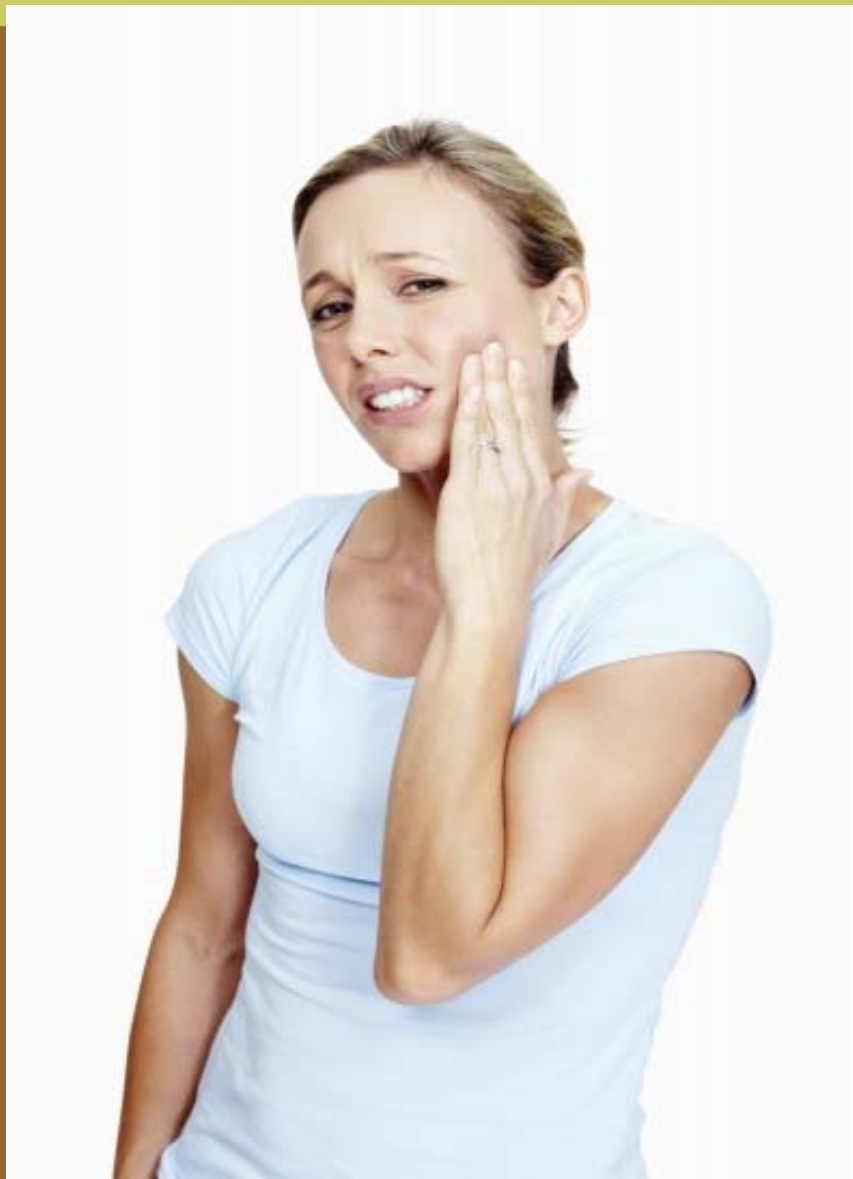

- Must be 18 to 40 years old
- Have impacted wisdom teeth
- Meet study criteria
- No insurance required

If you qualify:

- Surgical extraction will be provided at no cost to you
- Extraction performed by a board-certified oral maxillofacial surgeon
- You may receive compensation for study-related time and travel.

Study enrollment is limited.

We are located near public transportation.
